

VER-MAC

WATCH TOWER GUARDIAN SERIES

Ver-Mac's WATCH TOWER GUARDIAN is a Mobile Solar Video Surveillance and Deterrence System that provides off the grid, 24/7 monitoring, without the need of on-site staff. Our cutting-edge VideoGuard surveillance technology allows to automatically DETECT, DETER and ALERT. Built to last, this eco-friendly unit is 100% powered by solar panels & rechargeable batteries and can operate up to a year using only renewable energy. Our system is the perfect solution to help prevent theft and vandalism for your temporary or long term site where electricity is not available.

RAPID DEPLOYMENT

45 min or less by 1 person

AUTOMATICALLY

DETECTS

SMART & AUTONOMOUS SYSTEM

Automatically detects unauthorized human or vehicle within the predefined zones. Nobody is required on site.

DETERS

ALERTS

REAL-TIME SMS OR TEXT ALERTS

See live footage from your mobile device.

100% RENEWABLE ENERGY

SOLAR & BATTERY POWER ONLY

- ✓ NO FUEL
- ✓ NO NOISE
- ✓ NO SMELL
- ✓ NO MAINTENANCE

COST-EFFECTIVE SOLUTION

- Operates 24/7
- No network deployment required
- Everything is preconfigured over cellular (data plan provided)
- Does not use any fuel
- No cost associated with refueling and maintenance that traditional generator system require
- Can complement or minimize the number of guards on site

REMOTE VIEWING & VIDEO RETRIEVAL

- Acces videos in real-time from anywhere: Web, iOS and Android applications.
- Broadcasting to unlimited viewers with no video degradation
- Retrieve still photos
- Retrieve recorded video

REAL-TIME SYSTEM CONTROL & ANALYTICS

- Local intelligence controlling the various components as an homogeneous system
- Detects in any conditions and minimize false alarms. The system will detect & alert even if its main power is cut.
- Manage health of system in real-time
- Real-time alerts

COMMUNICATION

- Cellular
- Using the latest low bandwidth encoders

RECORDING

Cloud archiving technology allows for storage and playback without traditional DVR/NVR technologies

VIDEO SURVEILLANCE APPLICATIONS

- Construction job sites
- Remote sites
- Commercial building construction
- Retail asset protection
- Mining/Oil & Gas
- Airports
- Special events security

WARRANTY

- 1 year on complete unit
- 2 years on electronic components manufactured by Ver-Mac
